

North Dakota

North Dakota's centralized source  
of support and information for  
**Qualified Service Providers**

## I am an approved QSP, now what?

### New QSP "To Do" List

- Take the time to create your account (Therap/MMIS).
- Download the Therap app on your device (NOT Family Personal Care [FPC]/Family Home Care [FHC]).
- Have your SFN1730 instructions and blank forms ready to use (FHC/FPC only).
- Have a notebook or a system ready for documentation.
- Take time to read through the various documents that are in your new QSP packet.
- Attend Therap's live Therap 101 session for support in learning Electronic Visit Verification.
- Attend the new QSP orientation provided by the QSP Hub.
- Reminder: You are self-employed. Take time to plan for that.
- If you do NOT have a client, make sure your information is on the PUBLIC list. This is the only way community members can seek you out for QSP services.

### Still unsure where to start or need more help?

- Watch the various QSP Hub training videos.
- Contact the QSP Hub with more questions.

## Register for the New QSP Orientation

### Questions?

Please reach out to the QSP Hub at  
[info@ndqsphub.org](mailto:info@ndqsphub.org) or (701) 777-3432.
